III. Remarks

Claims 1 – 51 and 90 – 108 are pending in the referenced application. Claims 52-89 and 109 – 141 have been cancelled.

On March 22, 2005, the undersigned conducted a telephone interview with Examiner Novasad, the Examiner in charge of the above-identified reissue application. Mr. Novasad indicated that since he issued the above office action, he realized that an amendment that was filed in connection with the divisional of the above-identified reissue application was erroneously placed by the U.S. Patent Office in the file of the latter application. Therefore, Mr. Novasad requested that we submit a listing of the pending claims now in this reissue application and such a listing is provided above.

In view of the above, an early formal notice of allowance of claims 1 – 51 and 90 – 108 is respectfully requested.

Respectfully submitted,

Warren B. Kice
